Northern Indiana Woodcrafters Association

2022 Furniture Expo Recap

2022 Furniture Expo marked record participation, welcoming a considerable increase of new faces and dealers to this remarkable annual event.

The MEC (Michiana Event Center) was filled to the brim with nearly 100 exhibitors, showcasing the comprehensive talent that has made the region a trademark hotspot in handcrafted hardwood and

specialty pieces. The traditional dealer appreciation banquet had peak attendance, allowing for good fellowship and the exchange of ideas and inspiration among friends.

Future of furniture designs...

By combining innovation with tradition, our skilled craftsmen are staying at the forefront – and responding to the market demand!

Let us know what's new. Your ideas. Possibilities. And together we'll keep growing for a promising future, as we enjoy our work today.

Expo benefits meeting face-to-face

One theme organizers are hearing is how face-to-face conversations at the Expo are so important. It's a chance for builders and sellers to get to know each on a more personal level. Why is that so important? It builds trust. And trust helps business.
