CLASSIC FLAME INSERTS

Our Standard Fireplace Insert

The Classic Flame Inserts takes an energy efficient and environmentally friendly fireplace to the next level. The LED's used in this insert have a life span of over 75,000 hours and only draw 11.2 watts as opposed to the 120 watts of power from an incandescent light bulb. With this efficiency, you are not only saving the environment, but you are saving your money!

FEATURES

- Infrared quartz heat helps maintain room humidity
- 3D flame technology
- 5 color options, 5 speed settings, & 5 brightness levels
- Full function remote control
- 5,200 BTUs
- Heats up to 1,000 sq. ft.
- Overheating safety technology
- Flame effect without heat
- Digital thermostat
- Automatic shutoff timer from 30 minutes to 9 hours
- Tempered glass front

Insert styles change periodically.
Not responsible if photos are outdated.
