Custom Kitchen & Bath Cabinetry

CURVESIDE
WOOD PRODUCTS INC

Custom Cabinet Features

- Box constructed of ½" white birch plywood (sides, top & bottom).
- Wall cabinets have ¾" bottom.
- Strong and durable cabinet, yet relatively lightweight.
- Cabinets are constructed with glue, dado grooves, and staples.
- Finished cabinet ends are flush raised panels. Same style as doors.

- Fully concealed hinges (European style cup hinge).
- Soft close hinges available.

- ½" overlay doors.
- Flush inset and full overlay doors available.

- Dovetailed drawer boxes.
- ⅝" maple sides.
- ¼" captured bottom.

- All shelves are adjustable.
- Roll-out trays in base and pantry cabinets are also height adjustable.

- Finishing done at Lakeside Furniture.
- Interiors, drawers, and shelves are clear coated.

- Pricing does NOT include countertops, knobs and pulls, waste bins, pull-outs, drawer dividers, mixer lifts, and finished end panels.
- We have countertops and decorative hardware available.
