EPOXY TABLE BASES

Epoxy

Our epoxy tables are manufactured with the highest quality resin on the market, to ensure that your table lasts a lifetime and preserves the beauty throughout it!

Typically we cover a table top with 1/4" to 3/8" of clear epoxy, and the bottom with 1/8" - this prevents our tables from warping and enhances the piece!

Standard Epoxy Table Edge:

1/4" roundover

Epoxy Table Sheen Options:

Epoxy tables are offered in 10, 25, and 100-sheen finishes

Epoxy Table Shapes

A

Live edge inside and live edge outside w/river
